I want to thank all who braved the rain to come out for the meeting. It was to see you all. Thank you to Sylvia for another great program.

Many of us went to Coralville, Iowa for the IOLI convention. We had a great time- just ask us about it when you see us. Congrats to Janice Blair for her technical proficiency and most popular choice , "Sunflower".

At this month's meeting Bill McConnell will share Austrian Lace with us. It only takes 3-4 bobbins wound with lots of thread. How will we do it? Come out and see!

Continue lacing...

MINUTES

The July 18, 2015 meeting of the Freeway Lace Guild was called to order by President Julia Brock at 11:06. 11 brave members weathered the rare storm--thunder and downpours. There were no minutes from June because members could not access the building.

COMMITTEES

Membership: Heidi reports that all of the membership books have been distributed. Send any changes in info to her or Francesca so corrections can be printed in the newsletter.

Treasury: Louise reported a balance of \$12,339.

Demonstrations: ♣ Heritage House had 20 students and 4 teachers. 10 kits were sold, 11 are remaining. The donation to the guild more than covered any expenses incurred. ♣ Antelope Valley Fair and Alfalfa Festival on Saturday August 29, 2-5p. Contact Lynn.

Library: The Bobbin lace books were there even though Vibbs wasn't. The other lace books were MIA due to Lynn's absence.

Volunteer Hours: Rita has the book and is collecting for 2015-16. If you need a new Volunteer hours form, email Julia and she will send you one.

Program: Today Sylvia will be doing an Idrija star with an inside curve. August will feature Bill McConnell teaching an Austrian tape lace that requires only three pairs.

10th Annual WINTER LACE CONFERENCE

Happy 10th Year Anniversary to the Winter Lace Conference! This is the year to celebrate—10 years of great lacing and wonderful lace friends! Many of you have attended since the start. We thank you for your support—the event would not be what it is without YOU.

For our anniversary, we are excited to present classes with an international flair. This year, we have teachers from Japan, Ireland, the United Kingdom, as well as the United States! We think you will have trouble deciding which class to take.

We are excited to present the lineup for the 10th Annual Winter Lace Conference. Back by popular demand are **Louise Colgan**, **Susie Johnson**, and **Sandi Woods**. New to our slate are **Máire Treanor**, who brings to us a wealth of knowledge on the history and technique of Irish Clones lace; **Kumiko Nakazaki**, who is one of the experts in Binche and Flanders; and **Jean Leader**, who shares her expertise in beautiful needle lace—as well as special “not-to-miss” workshops in neat starts and finishes and attaching lace!

Back again is our vendor hall packed with lace supplies, an educational and fun-filled banquet presentation, and raffle.
