What a nice meeting we had in Aug. Thanks to all of you who braved the intense heat to come out. The room stayed pleasant and we left early when it got too warm.

Thanks to Bill for a most interesting class on Austrian lace. My flower has a leaf so far.

With only 3 pairs of threads, it is working up quickly.

September is here and it is time to think about business.

Lace Day Nov. 7, is almost upon us. Thank you Lucy for your Lace Cat photo to grace our flyers.

Time to think how you too can help our Lace Day be a success. Did you enjoy the job you did last year? Do you wish to change your outlook? Bring your ideas to the Sept. 19th meeting. Sign up early to get your spot. There is room for everyone to help. If lots of us help, it will be easier for all of us.

It is also time to think about the officers for 2016. Do you have special ideas for classes, skills to help the club run better? What job do you feel called to? Nominations for officers will be opened in Sept.

Rita is bringing the demo book. Do you need Demo forms? Remember when you do stuff for promoting Lace, you are demonstrating. When you work for the club, your hours count. Planning, preparing, and driving all count too. Keep cool making lace,

Julia

10th Annual WINTER LACE

CONFERENCE

Happy 10th Year Anniversary to the Winter Lace Conference! This is the year to celebrate—10 years of great lacing and wonderful lace friends! Many of you have attended since the start. We thank you for your support—the event would not be what it is without YOU.

For our anniversary, we are excited to present classes with an international flair. This year, we have teachers from Japan, Ireland, the United Kingdom, as well as the United States! We think you will have trouble deciding which class to take.

We are excited to present the lineup for the 10th Annual Winter Lace Conference. Back by popular demand are **Louise Colgan**, **Susie Johnson**, and **Sandi Woods**. New to our slate are **Máire Treanor**, who brings to us a wealth of knowledge on the history and technique of Irish Clones lace; **Kumiko Nakazaki**, who is one of the experts in Binche and Flanders; and **Jean Leader**, who shares her expertise in beautiful needle lace—as well as special “not-to-miss” workshops in neat starts and finishes and attaching lace!

Back again is our vendor hall packed with lace supplies, an educational and fun-filled banquet presentation, and raffle.
